Jeff Koenig, NRHA Professional and Money Earner with 30 years' experience. He gives clinics and trains reining horses start to finish at AJ Stables located in Hewitt, NJ. Training sessions are limited to 8 horses, which will allow individual attention when needed.

Come and learn how to apply the commands that will produce the reaction you want. How to use your hands and position your body to guide your horse through a stop, a turn and a back-up, without resistance.

Instruction will also include how to maintain gaits, control speed and other maneuvers that can be used in Ranch Riding Classes.
